

## Evolution Markets Earns Top Honors in 2025 Environmental Finance Rankings

**White Plains, NY (February 28, 2025):** Evolution Markets has once again been recognized for its leadership in global environmental markets, securing top distinctions in the 2025 Environmental Finance Market Rankings.

Announced earlier today, the annual rankings are the industry's most comprehensive survey, identifying top performers across carbon, renewable energy, biofuels, and environmental risk markets. Participants evaluate firms based on transaction efficiency, market influence, innovation, and service quality.

This year, Evolution Markets was named **Best Broker, Options & Futures: EU Emissions Trading System**, highlighting its continued commitment to delivering high-quality brokerage services. The firm also secured runner-up placements in several key categories, including:

- **Best Broker, OTC/Spot – EU Emissions Trading System**
- **Best Broker, Options & Futures – North American Markets (California)**
- **Best Broker – North American Markets (RGGI)**
- **Best Broker – North American Markets (All – includes Canada and Mexico)**

With a long-standing track record of excellence, Evolution Markets continues to be a trusted partner for clients navigating the complexities of environmental markets. The firm has consistently earned industry recognition for its expertise and commitment to market development.
